

Solus Success Stories

PHARMA & R&D

Biocon Limited

Biocon Ltd., Asia's premier biopharmaceutical company, is committed to ensuring a global right to healthcare by addressing the worldwide need for safe, effective and affordable bio-therapeutics. As a research organization working on the discoveries of new drugs the secrecy of their work and processes is of a paramount importance for Biocon and their clients as well. Biocon uses the Solus Access control system for managing the security of its employees and assets.

Problem

- Managing the Daily Employee inflow and access to the facilities
- Tailgating
- No accurate record maintenance of movements of employees
- Access Control
- Hardware and Software Integration
- Managing access more safely

Solution

- Access Control for Employees
- Integrated Security management
- Tripod Turn-styles
