Solus Success Stories

IT / ITeS

Netmagic

Netmagic, is inspired by companies at the edge of technology innovation, that are able to rise above the ordinary, by making things simpler, smarter & more efficient. For more than two decades, Netmagic has enabled many such companies to build strategic advantage and achieve extraordinary levels of success. As an NTT Communications Group company, Netmagic brings a compelling mix of domain expertise and unmatched global reach, to be a comprehensive Data Centre, Cloud & Network Services Partner to its client organizations.

Netmagic uses the Solus Systems for their access control & attendance system.
